THE PERFECT COMBO BOAT + LODGE

→ The freedom to travel by boat in the fjords.

→ The comfort of a cosy lodge and excellent cuisine.

Being able to travel by boat in the fjords is a great advantage. In addition to the beauty of the scenery, it allows you to ski in untouched wilderness areas that are only accessible by sea.

For maximum comfort, our accommodation is on the mainland. We have opted for warm and spacious accommodation in the magnificent fishing harbour of Henningsvær.

It offers all the facilities you need for your stay: a relaxing lounge, comfortable rooms, sauna and, of course, a self-catering dining room supervised by our chef, who is eager to help you discover the local gastronomy.

FLEXIBILITY. ADAPTABILITY. CUSTOMISATION

The Lofoten Islands

The Lofoten Islands form an archipelago north of the Arctic Circle. This treasure trove of nature offers majestic mountain scenery and deep blue fjords. The climate is particularly mild thanks to the Gulf Stream that runs along its shores.

OUR PHILOSOPHY

Our trips are conceived, designed and implemented by a passionate team. That is why we attach so much importance to the human dimension and attention to detail in all our projects.

Our trips carry our signature: a carefully selected environment, tailor-made itineraries, exclusive gastronomy and exclusive lodges.

OUR STRONG POINTS:

A unique skiing environment surrounded by fjords where the ocean and the mountains meet.

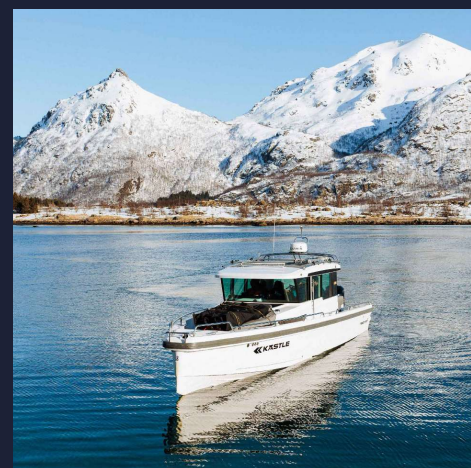

Our lodge is ideally situated, combining comfort and high quality.

Privileged access to isolated and confidential places thanks to the boat.

Our chef will introduce you to local gastronomic specialities.

PASSION.
AUTHENTICITY.
ADVENTURE.

The Lofoten Islands, an exceptional playground...

The mountains of the Lofoten Islands offer a unique type of skiing with exceptional snow !

The presence of the ocean at the foot of the mountains allows the skier to descend incredibly scenic downhill lines on different orientations.

Between sea and mountain, the breathtaking landscapes will be the promise of unforgettable ski tours.

The variety of terrain offers an unrivalled game for all levels of skiers: gentle slopes facing the ocean, corridors with views of the fjords...

All our trips are supervised by professional guides, who know the terrain very well and will be able to adapt to both the weather conditions and your needs, to offer you the best option.
